

## Keep Up With Me

Late Night Alumni

There is a kind of mood today  
Where everything is going my way  
Come on don..t fight it  
You like it  
You try it  
Come here baby and dance with me  
You see if you let go  
Feeling the flow  
Come here baby take a chance with me

Keep up with me  
If you..re wanting something more  
Keep on moving  
To the rhythm on the floor
