

enter honey tea

late night drive home

Time to say goodbye
With a hint of sweet honey tea

Honey tea starts to boil the heart
And I still see them go very far
Honey tea starts to boil the heart
And I still see them go very far

Time to say goodbye
With a hint of sweet honey tea

Honey tea starts to boil the heart
And I still see them go very far
Honey tea starts to boil the heart
And I still see them go very far
