

Euphoria

late night drive home

Well, I know the speakers in my car are blown out
So, just take a blinker from the cart and throw it around
Don't worry about what people say or do
Just put the music on play, we'll do whatever we want (slow down)

Ah-oh, ah-oh-oh-oh

So let us sing tonight, let us sing tonight
There's no need to fight, there's no need to fight

And I know most of the time, you're just dreamin'
Too obsessed with youth to enjoy the feelin'
Don't worry about what people say or do
Don't throw yourself away, you're cool now

Ah-oh, ah-oh-oh-oh
Ah-oh, ah-oh-oh-ah-oh

So let us sing tonight, let us sing goodnight

Nine people posted up inside this house
The filthy people seekin' it round and round
We saw the lights, we saw the lights
And one of them completely lost their mind
And the rest of us were having the time of our lives
We can work this out, we can work this out
This out

So let us sing tonight, let us sing goodnight
So let us sing tonight, let us sing goodnight
Let us sing tonight, let us sing goodnight
Let us sing tonight, let us sing goodnight

Let us sing tonight, let us sing tonight
Let us sing tonight
Let us sing goodnight, let us sing goodnight
Let us sing goodnight
