

Guardians Of Space

late night drive home

Choosing between two
A sunflower and a rose
It's the hardest thing to do
When you're faced with two and two, I suppose
I suppose
My ears, they start to ring
I'm walled up from the inside out
The feeling's stunning, oh, how scary
When the monsters start to scream and shout
Oh, shout

Where does time go?
Guardians of space
You threw me in a garden
And made me choose which one to take
Oh, take

All my words are being locked in a jar
I'm picking them out but it just leaves scars
My problems are foxes and I stare at them
I tremble in fear as they draw near
Drowsy distortions determine my thoughts
I'm bleeding them out, but they're trapped in my box
My vision is foggy, and I feel bubbly
The ground is shaking, and my soul is bleeding

Where does time go?
Guardians of space
You threw me in a garden
And made me choose which one to take
Oh, take
Where does time go?
It's lost without a trace
Threw me on a rollercoaster
Guess we'll never see your face

Where did the sound go?
It's lost without a trace
Threw me on a rollercoaster
Guess I'll never see your face
You threw me on a rollercoaster
Guess I'll never see your face
Where did the sound go?
It's lost without a trace
Threw me on a rollercoaster
Guess I'll never see your face
You threw me on a rollercoaster
Guess I'll never see your face
