

# How To Be Normal

late night drive home

How to be normal  
How to be normal  
How to be normal  
How to be normal

Put on this shirt and wear those shoes  
If not, then they'll murder you  
I like what I like, I'll black out my eyes  
Put on a coat just to make a disguise  
So, am I normal enough?  
Please, don't make me give it up

Please hug me and hold me  
And tell me that you know me  
Fix me and break me  
Won't we please share a cup of tea?  
I'm stupid and lazy  
I can see why you hate me  
I'm human and crazy  
Just, please, don't ever leave

And why should I care what anyone thinks  
When no one is there to comfort me?  
It's not me, it's just them, they won't stay till the end  
It's just me and I, so I made this disguise  
How to be, well, with time, we'll see  
And why should I care what anyone thinks  
When no one is there to comfort me?  
It's not me, it's just them, they won't stay till the end  
It's just me and I, so I made this disguise

Please hug me and hold me  
And tell me that you know me  
Fix me and break me  
Won't we please share a cup of tea?  
I'm stupid and lazy  
I can see why you hate me  
I'm human and crazy  
Just, please, don't ever leave

How to be normal  
How to be normal  
And how to be normal  
How to be normal  
And how to be normal  
And how to be normal
