

Miss Me

late night drive home

Miss me, oh
Miss me, oh
Miss me, no
Miss me, no

Imprison yourself in the noir abyss
You look at yourself and you reminisce
I take my own self and I say, "I missed"
A tiny part of me dismisses it quick, oh no

Miss me, no
Miss me, no
Miss me, no
Miss me, no

I don't know
No-no

Part of me says to come apart
It ain't a counterpart to fall apart
A bleedin' heart, it speaks to me
It's pleading not to leave, oh, not to leave

I said miss me, oh
Miss me (miss me)
I said miss me, oh-oh

(-e, oh, -e, oh)
(-e, oh)
(Miss me, oh)
(Miss me, miss me)
