

Yeah, I'm going out of bad habits now  
I'll replace one with something else  
This time, I'll go and leave this town for nowhere  
And I tell myself I'm going to change for good now

And this can't be it  
I'm so hesitant  
And this is really it  
I'm so tired of this

But remind myself  
Nothing stays the same  
Figure it out

Not anywhere right now, hesitant to branch out  
Stay with me to hear the drums beneath our feet now  
Tell it like it is back when it was August  
Trying to find a sound, we don't want to fit in

But remind myself  
Nothing stays the same  
Figure it out

On and on and on  
Playing shows to feel something  
On and on and on  
Playing shows to feel something

This can't be it  
I'm so hesitant  
And this is really it  
Oh, I'm so tired of this

Let's get out of here  
And leave all our baggage  
We'll make a new story  
Don't tell them you're sorry  
Don't tell them you're sorry

Not anywhere right now, hesitant to branch out  
Stay with me to hear the drums beneath our feet now  
Tell it like it is back when it was August  
Trying to find a sound, we don't want to fit in

But remind myself  
Nothing stays the same  
Figure it out

On and on and on  
Playing shows to feel something
