

## sorry i havent left

## late night drive home

Sorry, I haven't even left  
I haven't got a way no more  
I haven't got a sign no more  
I haven't got a clue no more

Sorry, I haven't even left  
I haven't got a way no more  
I haven't got a sign no more  
I haven't got a clue no more

I'll go away  
Go our ways
