Laufey

Why don't we  
Call it for what it is?  
Can't remember the last time we kissed  
And it tickled my heart  
I think that it's best that we spend time apart  
I just yawn  
Listening to you  
Talk about yourself again  
And again

I'm bored  
Bored of this love  
Oh, I'm bored  
Bored of this talk  
And maybe you're just way too vain to be interesting  
Baby, keep talkin' but nobody's listening  
Don't mean to walk out the door  
But, baby, I'm bored  
Bored

Did you know (did you know)  
I wept in my room last night?  
Bet you didn't know you make me cry  
'Cause you're so self-possessed  
Charming at first, but you've made me depressed  
So I'm leaving in the morning

'Cause I'm bored (bored)  
Bored of this love, oh, I'm bored (bored)  
Bored of this talk, and  
Maybe you're just way too plain to be interesting  
Baby, keep talkin' but nobody's listening  
Don't mean to walk out the door  
But, baby, I'm bored (bored)

You followed me out and said, "Darling, don't leave"  
Your passionate monologue woke up the street  
"I'll marry you someday, you're perfect for me"  
I got in my car just to drown out your plea

'Cause I'm bored (bored)  
Bored of this love, oh, I'm bored (bored)  
Bored of this talk, and  
Maybe you're just way too vain to be interesting  
Baby, keep talkin' but nobody's listening  
Don't mean to walk out the door  
But, baby, I'm bored, oh
