

# Dance With You Tonight

Laufey

Silly boy don't talk to me  
I don't have the energy  
Please don't ask to  
Dance with me tonight

I do better on my own  
I don't mean to come off cold  
But my dear I'm all danced out tonight

Now the gin is hitting me  
And it's almost half past three  
Am I crazy or seeing things  
I'm sorry if I can't go for another swing

You're a charmer that's for sure  
But I can't stand anymore  
Shame I would've danced with you tonight

Now the gin is hitting me  
And it's almost half past three  
Am I crazy or seeing things  
I'm sorry if I can't go for another swing

You're a charmer that's for sure  
But I can't stand anymore  
Shame I would've danced with you tonight  
Would've danced with you tonight
