

## Dreamer

Laufey

Let me be your dreamer, let me float  
I can see the whole world from my own little cloud  
Up on the Milky Way  
I'll stay here forever and a day

You can't pin me down  
I fear all-solid ground  
I'd rather be alone at tea  
Love when nobody's making me

Oh, boys just make me cry  
Believe me, I have tried  
I've made my rounds  
Kissed some mouths  
Trust me, I don't want a single soul around

Oh, I'm giving up, I'm throwing in my hat  
I can't take another lifeless little chat  
I'm moving up into a cloud, into my fantasy

And no boy's gonna be so smart  
As to try and pierce my porcelain heart  
No boy's gonna kill the dreamer in me

Some might call me mad  
The worst this town has had  
I fell right down the rabbit hole  
Legends say I fell so fast I lost my soul

Oh, my melancholic days  
Are few and far away  
I've had enough  
Called it off  
As far as I'm concerned, this witch is numb to love

Oh, I'm giving up, I'm throwing in my hat  
I can't take another lifeless little chat  
I'm moving up into a cloud, into my fantasy

And no boy's gonna be so smart  
As to try and pierce my porcelain heart  
And no boy's gonna kill the dreamer in me

And no boy's gonna be so smart  
As to try and pierce my porcelain heart  
No boy's gonna kill the dreamer in me
