

# From The Start

Laufey

Don't you notice how  
I get quiet when there's no one else around?  
Me and you and awkward silence  
Don't you dare look at me that way  
I don't need reminders of how you don't feel the same

Oh, the burning pain  
Listening to you harp on 'bout some new soulmate  
She's so perfect  
Blah, blah, blah  
Oh, how I wish you'll wake up one day  
Run to me, confess your love  
At least just let me say

That when I talk to you  
Oh, cupid walks right through  
And shoots an arrow through my heart  
And I sound like a loon  
But don't you feel it, too?  
Confess I loved you from the start

What's a girl to do?  
Lying on my bed staring  
Into the blue?  
Unrequited, terrifying  
Love is driving me a bit insane  
Have to get this off my chest  
I'm telling you today

That when I talk to you  
Oh, cupid walks right through  
And shoots an arrow through my heart  
And I sound like a loon  
But don't you feel it, too?  
Confess I loved you from the start

Confess I loved you  
Just thinking of you  
I know I've loved you from the start
