

# Goddess

Laufey

It always goes like this  
Could've predicted it  
I'm so naive to think you loved me for me  
Kissed as I ran off stage  
Too old to play this game  
Guess you're still growing up at thirty

Oh, oh-oh, oh-oh  
Were you surprised by me?  
When you took me home  
When the glamor wore off  
Reduced to skin and bone  
I can't even tell  
Who you want to know  
I'm a goddess on stage  
Human when we're alone

You took a star to bed  
Woke up with me instead  
You must have felt so damn deceived  
When you  
Made up a version of  
Me that you thought you'd love  
But I am not your Aphrodite

Oh, oh-oh, oh-oh, oh-oh-oh  
Were you surprised by me?  
When you took me home  
When the glamour wore off  
Reduced to skin and bone  
I can't even tell  
Who you want to know  
I'm a goddess on stage  
Human when we're alone

You took me for a fool  
You stole my youth  
You wanted this so much  
You watched me rise  
Then killed my light  
And now you know  
I'm not your fucking goddess

Ooh-oh  
Oh-oh  
I'm no goddess when I'm alone
