

Only Mine

Laufey

Hold me close
Hold me tight
Tell me we'll be good tonight

Let's pretend to be fine
I just want one more night

I can tell that you're tired
Speaking less so quiet
I know I'll lose you in the morning
I see it in your eyes
I don't dare to fall asleep
'Cause when I wake you won't be mine

I can tell that you're tired
Speaking less so quiet
I know I'll lose you in the morning
I see it in your eyes
I don't dare to fall asleep
'Cause when I wake you won't be mine
