

## Where Or When

Laufey

It seems we stood untold like this before  
We looked at each other in the same way then  
But I can't remember where or when

The clothes you're wearing are the clothes you wore  
The smile you were smiling, you were smiling then  
But I can't remember where or when

Somethings that happened for the first time  
Seem to be happening again

And so it seems that we've met before  
And laughed before, and loved before  
But who knows where or when?

Somethings that happened for the first time  
Seem to be happening again

And so it seems that we've met before  
And laughed before, and loved before  
But who knows where or when?
