

ADORE

LAUNDRY DAY

Ladies and gentlemen, please welcome to the bitter end, the ex-boyfriends

I knew it was bad
But I've never seen you lookin as sad as this
What can I do?
I'm tryna stay true to you

Starting over isn't easy when you're scared of change
Circling back until you found somebody to blame
We were too young to be havin' that much fun
Reigning me in til the damage gets done
Turning of phrase makes me look a different way
Bottling up all the things I should be sayin'

Like can you even see me cryin?
Girl when I say I love you
I'm not lyin

I knew it was bad
But I've never seen you lookin as sad as this
What can I do?
I'm tryna stay true to you
I knew it was bad
But I've never seen you lookin as sad as this
What can I do?
I'm tryna stay true to you

She calls me Mr. Robot
Says I remind her of a professor that she got
She calls me Mr. Robot
Says I remind her of a professor that she got, uh huh
She calls me Mr. Robot
(She calls me Mr. Robot)
Says I remind her of a professor that she got
She calls me Mr. Robot
(She calls me Mr. Robot)
Says I remind her of a professor that she got, uh huh

She goes to school
Pace University
Somewhere downtown
'Tween the nursing home and nursery
My god
My god
She looks so good in that gray dress
Want it all
Want it, want it, want it all, uh

"Exploring your mind is like wiping your behind, the deeper you dig,
the more shit you'll find!"
