

Expelled! (Skit)

LAUNDRY DAY

Boys, he's ready for you

Alright guys why don't you have a seat
Um this isn't gonna be an easy conversation
But you know
You guys were late again
You guys hijacked the announcements
Your grades are awful
You ruined the pep rally
I hate to do this on the first day but
But you're expelled
Best of luck to you
I'll always care about you
I had high hopes for you boys
But for God's sake, get your shit together
