

Moved On

LAUNDRY DAY

It's my last day
I cannot be complacent as this fades to black
I don't think I can live with that
In the worst way
I'm clinging on to you just like I cannot breathe
I don't know what is wrong with me

Please make sure you call
Just to say it's alright
Am I coming on too strong?
Am I waking you all night?
Am I pissing you off?
Am I giving you a good reason?
Nightmare seeds in my dreams
Like waking up to

Ooh, we get together
But things might just be better if we moved on
Ooh, we get together
But things might just be better if we moved on

It's my last day
I'm pacing down the street writing this paragraph
I wonder how you'll handle it
In the worst way
My heart is saying things my mind just cannot speak
I don't know what is wrong with me

Maybe I'm the problem
Saying this is alright
Am I coming on too strong?
Am I sacrificing your time?
Am I giving you up?
Am I giving you a good reason?
Changing seasons
Can't believe it
Now I'm leaving you

Ooh, we get together
But things might just be better if we moved on
Ooh, we get together
But things might just be better if we moved on

I won't light no more fires
But funny how it all burns down
I won't quit or lose grip
Still, I can't go another round
Lead myself to compassion
But I'm kicking you to the ground
Where'd I trip? Throw my fit?
Will I see you in town?

Ooh, we get together
But things might just be better if we moved on
Ooh, we get together
But things might just be better if we moved on
