

She Knows Me

LAUNDRY DAY

She got her hair just how she likes
She got her curls to curl just right
I wanna know she'll be alright
She'll be alright
She'll be alright

I told her meet me by the stairs
And then we walked, and talked, and shared
And when she judge it's always fair
Always fair
Always

Ooh...
There she goes
Out the door
She knows me more than anyone does

She knows me more than anybody
Knows about my past and all about my hobbies
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does
Everything that I ever wanted
Talk about the future
Gonna get a dog and
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does

And she's laying in my bed
My t-shirt and her underwear
I wanna know she's always there
Always there
Always
But we're only twenty-two
And I just don't know what to do
Because I wanna live with you
Live with you
Live with you
Live with

Ooh...
All the time
Every night
I can't believe she's even real sometimes

She knows me more than anybody
Knows about my past and all about my hobbies
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does
Everything that I ever wanted
Talk about the future
Gonna get a dog and
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does

(Does, does, does, does, does, does)

She knows me more than anybody
Knows about my past and all about my hobbies
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does

She knows me more than anybody
Knows about my past and all about my hobbies
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does
Everything that I ever wanted
Talk about the future
Gonna get a dog and
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does
(She knows me, she knows me, she knows me, she knows me)

I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does
(She knows me, she knows me, she knows me, she knows me)
I don't wanna lose her
I don't wanna lose her
Cause she knows me more than anyone does
