

# We All Gotta Find A Reason

## LAUNDRY DAY

We all gotta find  
A reason  
Cause we're all waiting for  
The end of time  
Bye, bye  
Heart is beating, heart is breathing  
For all your life (uh, oh)  
So make up your mind  
You're probably gonna get it right

Uh, uh, and my mama always told me  
If you could believe and find yourself  
You got it homie (Huh! Ohohohoh)  
You got it homie  
Uh, uh, and my mama always told me  
If you could believe and find yourself  
You got it homie (Ohohohoh)  
You got it homie  
(And this is whatcha gotta see)

The nanny stays at home  
The doctors on the way  
The lawyer proved you wrong  
The student's on the train  
The mother loves her son  
The soldier sent away  
The waiter sings a song  
They're dreaming of the day

We all gotta find  
(We all gotta find)  
A reason  
(A reason, yeah)  
Cause we're all waiting for  
(Cause we're all waiting for)  
The end of time  
(The end of time)  
Bye, bye  
Heart is beating, heart is breathing  
For all your life (uh, oh)  
So make up your mind  
(Make up your mind)  
You're probably gonna get it right

Do you have a reason?  
Do you have a reason  
For the people who's bleedin'?  
(Ohohohoh)  
I wanna know baby  
Do you have a reason?  
You're so busy thinkin' about yourself  
You should be here thinkin' bout someone else  
(Ohohohoh)  
I wanna know baby  
Do you have a reason?

Teachers in the schools

Countin' down the days  
Speakers in the booths  
Callin' all the plays  
The groupies in the front  
Waitin' by the stage  
Born to wait in line  
Born to see you play

We all gotta find  
A reason

Cause we're all waiting for  
(Cause we're all waiting for)  
The end of time  
(The end of time)  
Bye, bye  
Heart is beating, heart is breathing  
For all your  
Life  
So make up your mind  
(Make up your mind)  
You're probably gonna get it right

(Bye, bye-bye-bye, b-bye, bye-bye-bye)  
You're probably gonna get it right  
(Bye, bye)  
You're probably gonna get it right  
(Bye, bye-bye-bye, b-bye, bye-bye-bye)  
You're probably gonna get it right  
(Bye, bye)  
You're probably gonna get it right
