Maybe I Love You

Laura Branigan

Maybe I love you, maybe I don't Maybe I'll need you and maybe, baby, I won't I guess I don't take the time To let you know what's on my mind Maybe I've been blind

Maybe I'm crazy, maybe I'm sane Maybe I need to go away, start over again But if I went away I'd be afraid I should have stayed Maybe I'm afraid that maybe I love you

And believe me when I tell you It's because of all the things you say and do That help me make it through I need you But when I try to say goodbye I realize I won't know what to do If I don't have you

Maybe I love you, baby I do I guess I loved you The first time I saw you And when I don't take the time To let you know what's on my mind I know that I'm too damn blind But baby I love you

Maybe I love you, maybe I don't Maybe I'll need you and maybe, baby, I won't I guess I don't take the time To let you know what's on my mind Maybe I've been blind, but maybe I love you I love you
