

# My Heart Goes Out To You

Laura Cantrell

My Heart Goes Out To You - Sung by Belinda Carlisle

I see the tears you cry  
They're tears I cannot dry  
Know what you're going through  
My heart goes out to you

There's nothing I can say  
To take your pain away  
I'm not sure what to do  
My heart goes out to you

You know I feel so bad  
To see you hurt so bad  
But angels spread their wings  
Over everything

There's one thing no one knows  
Why things go the way they go  
We'll never have a clue  
My heart goes out to you

When you're overcome  
When you need someone  
I'll be the friend you need  
Like you have been to me

I see the tears you cry  
One day they'll all be dry  
But until they do

My heart goes out to you  
My heart goes out to you  
My heart goes out to you
