

Silver Wings

Laura Cantrell

Silver wings
Shining in the sunlight
Roaring engines
Headed somewhere in flight
They're taking you away
And leaving me lonely
Silver wings
Slowly fading out of sight

Don't leave me I cry
Don't take that airplane ride
But you've locked me out of your mind
And left me standing here behind

Silver wings
Shining in the sunlight
Roaring engines
Headed somewhere in flight
They're taking you away
And leaving me lonely
Silver wings
Slowly fading out of sight

Silver wings
Shining in the sunlight
Roaring engines
Headed somewhere in flight
They're taking you away
And leaving me lonely
Silver wings
Slowly fading out of sight

Slowly fading out of sight...
