

# Use Somebody

Laura Jansen

I've been roaming around  
Always looking down at all I see  
Painted faces fill the places I can't  
reach

You know that I could use somebody yeah  
You know that I could use somebody yeah

Someone like you and all you know and how you speak  
Countless lovers undercover of the street  
I know that I could use somebody yeah  
You know that I could use somebody yeah

Someone like you whoaa ow whoaa ow

Off in the night while you live it up  
I'm off to sleep  
Waging wars to shake the poet and the beat  
I hope it's gonna make you notice yeaah  
I hope it's gonna make you notice yeah

Someone like me ohh whoaaa oh  
Someone like me oooh whoaaa whoow

I'm ready now

Someone like you

You know that I could use somebody  
You know that I could use somebody

I've been roaming around up  
Looking down at all I see
