

## Grace Abounds

Laura Story

When everything around me's shaken  
When trials tempt me to despair  
And I feel like my own heart has hardened

Towards sorrow that's too great to bear

When life has me disillusioned  
When hostility and hatred seem to win  
Each headline that I read  
Brings me to my knees again  
When it feels like hope cannot be found  
Grace abounds

When couples suffer long in silence  
Regretting that they dared to dream  
When forgiveness is too hard to fathom  
For a chasm that runs so deep

In every lonely night of waiting  
In every desperate cry and bated prayer  
In the moment when my faith is failing  
I find You there  
When it feels like hope cannot be found  
Grace abounds

Hold fast my heart in troubles wake  
My faith is small, but my God is great

And You said you would be near the broken  
On my loneliest of days, I am never alone  
And I know you will bring peace  
Surpassing what my mind can know  
So steady now my weary soul  
O love that never let's me go  
When it feels like hope cannot be found  
Grace abounds
