

Just Another Christmas

Laura Story

Get out the lights, put up the tree
Same old stockings, same routine
Busy sidewalks, crowded stores
Somehow I've forgotten what it's all for

The Word made flesh for me
Born a child and King

God I want to feel the wonder of heaven touching earth
Hear a thousand angels sing "Our God is here"
Don't let there be a moment I miss
Don't let this be just another Christmas this year

May there be peace in every home
May the orphan know they're not alone
May there be joy in every heart
And may I fall more in love with who You are

God I want to feel the wonder of heaven touching earth
Hear a thousand angels sing "Our God is here"
Don't let there be a moment I miss
Don't let this be just another Christmas this year
Just another Christmas

May my voice, my life, my all sing
Glory in the highest, glory in the highest
May Your church, Your holy bride sing
Glory in the highest, glory in the highest

Glo-ria

God I want to feel the wonder of heaven touching earth
Hear a thousand angels sing "Our God is here"
Don't let there be a moment I miss
Don't let this be just another Christmas this year
Just another Christmas this year, oooh
Don't let it be, don't let it be just another Christmas this ye
