

Carol Kaye

Laura Veirs

She can really play it
She can really lay it down
"Smile", "Good Vibrations"
"Help Me Rhonda", "Homeward Bound"

It would be so cool
To be like Carol, Carol Kaye
Maybe I can meet her
Maybe shake her hand one day

"Songs of Innocence"
"Natural Man", "Feelin' Alright"
"I'm a Believer"
"Come together", "In the Heat of the Night"

"Mission Impossible"
Oh, she's "Out of this World"
Ten thousand sessions from an
Everett, Washington girl

Not a household name but
She's been in your head all day
It would be so cool
To be like Carol, Carol Kaye
