

## July Flame

**Laura Veirs**

July flame  
Fiery kite  
Will-o-the-Wisp  
Lead me through the night

July flame  
Sweet summer peach  
High up in the branch  
Just out of my reach

```
Can I call you mine?  
Can I call you mine?  
Can I call you mine?  
Can I call you mine?
```

July flame  
I'm seeing fireworks  
They're so beautiful  
Tell me why it hurts

July flame  
Ashes of a secret heart  
Falling in my lemonade  
Unslakable thirsting in the backyard

Can I call you mine?  
Can I call you mine?  
Can I call you mine?  
Can I call you mine?

(Can I call you)  
(Can I call you mine?)  
(Can I call you mine?)  
(Can I call you mine?)

```
(Can I call you)
(Can I call you mine?)
(Can I call you mine?)
(Can I call you mine?)
```

[illegible]

Can I call you mine?  
(Can I call you mine?)  
Can I call you mine?  
(Can I call you mine?)  
Can I call you mine?
