

Little Lap Dog Lullaby

Laura Veirs

Come up horsey, hey hey
Come up horsey, hey hey
Come up horsey, hey hey
Come up horsey, hey hey

Mama's gonna buy you a little lap-dog
Mama's gonna buy you a little lap-dog
Mama's gonna buy you a little lap-dog
Gonna put him in your lap when she comes off

Come up horsey, hey hey
Come up horsey, hey hey
Come up horsey, hey hey
Come up horsey, hey hey

Mama's gonna buy you a little blue bird
Mama's gonna buy you a little blue bird
Mama's gonna buy you a little blue bird
Gonna sing when she comes off

Come up horsey, hey hey
Come up horsey, hey hey
Come up horsey, hey hey
Come up horsey, hey hey

Mama's gonna buy you a little blue bird
Mama's gonna buy you a little blue bird
Mama's gonna buy you a little blue bird
Gonna sing when she comes off

Mama's gonna buy you a little blue bird
Mama's gonna buy you a little blue bird
Mama's gonna buy you a little blue bird
Gonna sing, hey hey
