

Star Panties

Laura Veirs

Wonder Woman wears star panties
I wish upon a falling star panty
That you'll see you Wonder Woman are
And surely I will
And surely I will
And surely I will
And surely I will

In a candles glow you lay there
Oh I know that stare
You're thinking someday I will fill these star panties
And surely I will
And surely I will
And surely I will
And surely I will

Star panties
You're wearing stars
You're wearing star panties
You're wearing stars
