Tumblebee

Laura Veirs

Tumble, tumble into my a-a-arms Fumble, fumble can't keep the g-g-grip Trouble, trouble baba on l-l-lips Humble, humble now that you're g-g-gone

You can't keep this bum-bum-bum-bum, bum-bumble bee 'Cause she'll sting me as she lo-lo-longs to be free

Tumble, tumble bee in my a-a-arms Double, double E with B s-s-start Stumblin', stumblin' through the last w-w-week Mumblin', mumblin' in my s-s-s-sleep

You can't keep this bum-bum-bum-bum, bum-bumble bee 'Cause she'll sting me as she lo-lo-longs to be free

She longs to be free She longs to be free She longs to be free She longs to be free
