Adored

Laurel

You've been wasting my time, honey
I've been wasting your life, baby
We can sit and talk
And I'll pretend that I give a fuck

I've been hanging around too long
Always getting proud of your love
What's a girl gonna do when she only wants to

Be adored (ah-ah-ah)
Be adored (ah-ah-ah)
Give me a crown, I'll pass it 'round and show it off
When it's all (ah-ah-ah)
Dead and cold (ah-ah-ah)
We'll sit and stare, while we turn each other off

Hang around, and let me down
And I confess that you're less
But kind of better than the rest
So I think I'll stay a while

You're so black and white, baby
All these lows and highs, maybe
You're fucking crazy and it
Ain't nothing to do with me
Why we're living life together
Don't we both deserve better?
Then you come back and say
Don't you wanna

Be adored (ah-ah-ah)
Be adored (ah-ah-ah)
Give me a crown, I'll pass it 'round and show it off
When I'm insane (ah-ah-ah)
From all your games (ah-ah-ah)
I ask my friends to find out how to let you go

See, hang around, let me down
I confess that you're less
But kind of better than the rest
So I think I'll stay a while

I'll lay up at night
Holding you so tight
Freedom is here love
(Freedom is here love)

Be adored (ah-ah-ah)
Be adored (ah-ah-ah)
Give me a crown, I'll pass it around and show it off

See, hang around, let me down
I confess that you're less
But kind of better than the rest
So I think I'll stay a while

I'll lay up at night

Holding you so tight
Freedom is here love
(Freedom is here love)

Let me down
I confess that you're less
But kind of better than the rest
So I think I'll stay a while
