

# Out Of Our Depth

Lauren Aquilina

You'd love me to bits  
If I wasn't already in pieces  
I don't want you  
But I don't wanna be without this  
Gave you sign after sign  
Time after time  
Well we sink or swim  
Treading this water 'til we descend  
We never win  
One more loss and I've lost to the end  
We told lie after lie  
Time after time

We're going really deep now  
We're going really deep now  
And I can't help it  
We're out of our depth  
Losing our breath  
But don't you dare drown  
Don't you dare go  
Really deep now  
We're going really deep now  
And I can't help it  
Out of our depth  
Losing our breath  
But don't you dare drown  
Don't you dare

Paint doesn't last  
But we dived in head second heart first  
We could be the best  
But I can't stop living in fear of the worst  
Sleepless night after night  
Time after time

We're going really deep now  
We're going really deep now  
And I can't help it  
Out of our depth  
Losing our breath  
But don't you dare drown  
Don't you dare  
Going really deep now  
We're going really deep now  
And I can't help it  
Out of our depth  
Losing our breath  
But don't you dare drown  
Don't you dare

Don't you  
Don't you  
Don't you dare drown on me  
Don't you dare drown on me

We're going really deep now  
We're going really deep now

And I can't help it  
Out of our depth  
Losing our breath  
But don't you dare drown  
Don't you dare  
Going really deep now  
We're going really deep now  
And I can't help it  
Out of our depth  
Losing our breath  
But don't you dare drown  
Don't you dare

(Deep now) Gave you sign (Deep now) after sign  
Time after time (Deep now)  
We told lie (Deep now) after lie  
Time after time
