

# Lesson Learned

Lauren Cimorelli

You don't care about my sanity  
You don't really care about me  
You just want a girl to hold your hand at a football game  
So you don't feel lonely  
So you don't look lame

You say that I'm immature  
You want me to be insecure  
You just want to feel like the man you never thought you were  
So you put me down to make yourself feel better

And I've wasted so much time  
'Cause it's so hard saying goodbye

But now I'm your enemy and you're just a memory  
And I've tried and tried and tried but I knew it wasn't right  
You were holding on to me  
So tight, that we were drowning  
We didn't want to get hurt  
So, now I guess it was a lesson learned

Na-na-na-na-na-na-na-na  
Na-na-na-na-na-na-na-na  
Oh, Oh

You don't care about my purity  
You don't really care about me  
And now you say it's my fault  
Cause you can never handle  
Thinking you did anything wrong

And I've tried to explain it to you  
But you can't handle the truth

But now I'm your enemy and you're just a memory  
And I've tried and tried and tried but I knew it wasn't right  
You were holding on to me  
So tight, that we were drowning  
We didn't want to get hurt  
So, now I guess you're just a lesson learned

Na-na-na-na-na-na-na-na  
Na-na-na-na-na-na-na-na  
Oh, oh  
Na-na-na-na-na-na-na-na  
Na-na-na-na-na-na-na-na  
Oh, oh

At least I know I've tried my best  
I never wanted it to end like this  
And I can't really blame you for what you've done  
Cause your parents never taught you how to love  
But I wish I could take it all back, erase the past

But now I'm your enemy and you're just a memory  
And I've tried and tried and tried but I knew it wasn't right  
You were holding on to me

So tight, that we were drowning  
We didn't want to get hurt  
So, now I guess you're just a lesson learned

Na-na-na-na-na-na-na-na  
Na-na-na-na-na-na-na-na  
Oh, oh  
Na-na-na-na-na-na-na-na  
Na-na-na-na-na-na-na-na  
Oh, oh
