

# Losing My Religion

Lauren Daigle

I've been an actor on the stage  
Playing a role I have to play  
I'm getting tired, it's safe to say  
Living behind a masquerade

No more performing out of fear  
I'm trying to keep my conscience clear  
It all seems so insincere  
I'd trade it all to meet You here

I'm losing my religion  
I'm losing my religion

Light a match and watch it burn  
To Your heart I will return  
No one can love me like You do (no no no no no no)  
So why would I want a substitute

I'm losing my religion  
I'm losing my religion  
I'm losing my religion  
I'm losing my religion  
To find You

I'm losing my religion  
And finding something new  
Cause I need something different  
And different looks like You

I'm losing my religion  
And finding something new  
Cause I need something different  
And different looks like You

I'm losing my religion  
I'm losing my religion  
I'm losing my religion  
I'm losing my religion  
To find You  
To find You  
To find You  
To find You  
You
