

# Sometimes

Lauren Daigle

It's not that I don't love you, it's not that I don't care  
It's not that I don't see a future with you standing there  
It's not that I don't feel you when the wind blows on my skin  
It's not that I don't hear your whisper when night comes to an end  
It's not that you're not everything, everything I want

It's just sometimes I think it's not

It's not that you're not worth it, oh you've loved me through it all  
It's not that I don't want your hands to catch me when I fall  
It's not that I am angry, oh you've done nothing wrong  
It's not that I don't think of you every time I hear that song  
It's not that I'm not trying, oh I've given you all I've got

It's just sometimes I think it's not  
Oh sometimes I think it's not, oh

And I've loved, yes I've loved, but I loved and I lost  
Everything I thought we'd become  
And we've tried, yes we've tried and I'm tired of sometimes  
Always wondering when the time would be right

It's just sometimes I think it's not  
Sometimes I think it's not  
Oh the right thing the wrong time is not
