

# Em(oceans)

Lauren Jauregui

I wear my heart on my sleeve  
Seems everyone that I meet  
Thinks that they can take a piece and leave  
I find it hard to believe  
That they don't know what they're doing  
That's that shit about empathy

Empathy  
Empathy  
Empathy  
I wanna I wanna be free  
From all this weight I carry  
I wanna I wanna be free  
Of all these emotions  
The waves of emotions  
I go through the motions  
And drown in the ocean  
Of all these emotions  
Now I'm feeling broken  
Do you even notice?  
All this emotion

I feel too much, I feel too much, I feel too much  
I feel too much, I feel too much, I feel too much  
I feel too much, I feel too much, I feel too much

I never know what to say  
So I try to push it away  
Why did God make me this way?  
Does anyone else feel the same?  
Feels like I'm going insane  
Guess that's that shit about empathy

Empathy  
Empathy  
Empathy  
I wanna I wanna be free  
From all this weight I carry  
I wanna I wanna be free  
Of all these emotions  
The waves of emotions  
I go through the motions  
And drown in the ocean  
Of all these emotions  
Now I'm feeling broken  
Do you even notice?  
All this emotion

I feel too much I feel too much I feel too much  
I feel too much I feel too much I feel too much  
I feel too much I feel too much I feel too much
