

# Falling

Lauren Jauregui

Look up from the screen  
Look back down and check the clock again  
It's about to be too late now  
To try to even get up out of bed  
No responsibility is bigger than me  
Wait outside my door  
And if I wanna keep surviving  
Better get them now  
And tryna earn some more

And I don't know why I always try to hide it  
Oh, I can't fight it any more than you can  
'Cause I'm only human  
And I wanna live without it  
But I'm so tired  
I can barely stand it  
In fact, I can't stand it

So catch me, I'm falling  
Catch me, I'm falling down  
Won't you catch me?  
I'm falling down again

Pace around in circles  
So try to leave my heart and get the door  
Gotta think about my future  
While the past creeps into everything I'm not  
If I stay where I start  
Believe with my heart  
At least I'll grow, yeah  
If I wanna get better  
I gotta be better, I know

And I don't know why I always try to hide it  
Oh, I can't fight it any more than you can  
Because I'm only human (Human)  
And I wanna live without it (Without it)  
But I'm so tired  
I can barely stand it  
In fact, I can't stand it

So catch me, I'm falling  
Catch me, I'm falling down  
Won't you catch me?  
I'm falling down again

Focus on blessings and lessons  
Focus on blessings and lessons, yeah  
To focus on blessings and lessons  
Won't you focus on blessings and lessons? Yeah

Catch me, I'm falling  
Catch me, I'm falling down  
Won't you catch me?  
I'm falling down again  
Again and again and again and again and again

Oh, catch me, I'm falling  
Nowhere to run to, won't you catch me  
I'm falling down  
Mother, catch me  
I'm falling down again
