

Temporary

Lauren Jauregui

Some days the confidence comes like a cure
Sometimes the noise is just too loud to ignore
I don't have the energy to try to fake it
I can't make it with a smile
I know it's a waste of time to feel insecure
So I just say a prayer and remind myself I'm more
Than what they're saying about me
Projecting, I can't be

Caught up in a way I feel now
There's just too much to heal now
And feelings are temporary anyway
They're telling me
All of the things I just found too hard to say
And would probably go away
I learn to embrace that

It's all temporary anyway, anyway
No, it never stays good or bad too long (Mmmm)
When we learn to let it go
(When we learn to let it go)
It's all temporary anyway, anyway
And we will find a way to let go
(When we learn to let go)
Of what we think we know

Tuve que abrir mis ojos, los tres
Inhalar profundamente
Contar hasta diez, exhalar
Para quitar este peso del estrés
Y cuando entran las dudas que
Me hacen mal, me hacen olvidar
Que el poder siempre es mío
Yo sonrío porque sé que

It's all temporary anyway, anyway
No it never stays good or bad too long
(No it never stays good or bad too long)
When we learn to let it go
(When we learn to let it go, go)
It's all temporary anyway, anyway
And we'll find our way out
When we learn to let go
(When we learn to let go)
Of what we think we know

Just let it go
