

Cartoon Song

Laurie Anderson

I was thinking the other day
What if cartoons got saved?
They'd start singing praise
In a whole new way

Yea, I was thinking the other day
What if cartoons got saved?
They'd start singing praise
In a whole new way

Fred and Wilma Flintstone sing
ya-ba-daba-lujah

Scooby-do and Shaggy
scooby-do-be-lujah

And the Jetson's dog named Astro
ra-ra-ru-jah

CHORUS
