Hey little darlin,
I'm comin your way little darlin'
And I'll be there
Just as soon as I'm all straightened out
Yeah just as soon as I'm perfect.
Some things are just pictures
They're scenes before your eyes
And don't look now I'm right behind you
Coolsville
Coolsville
So perfect
So nice
So nice!
And down by the ocean under the boardwalk
You were so handsome we didn't talk
You're my ideal I'm gonna find you I'm goin' to Coolsville
So perfect
So ideal
This train
This city

Some things are just pictures
They're scenes before your eyes
And don't look now I'm right behind you
Coolsville
She said: Oh Jesus, why are you always in the arms of somebody
else?
He said: Oh man!
I don't need anybody's help I'm gonna get there on my own.
