

# Freefall

Laurie Anderson

You're out on the ocean  
And you get pulled down  
Freefall to the bottom  
Like when you're drowning  
Or falling asleep

You get turned around  
And when you think you're  
Swimming to the surface  
You're swimming straight down.  
Down to the bottom.  
All the way to the bottom.

Secret codes and cryptograms  
I'm lost in your words  
I'm swimming.

We're going down to the bottom  
All the way to the bottom  
Rapture of the deep.

I got your letter.  
I couldn't read it.  
It was a cryptogram.  
Did it sasay take me with you  
Or take me as I am?

We're going down to the bottom  
All the way to the bottom.  
We get turned around.

There is another world  
Spinning inside of this one.  
I remember where I came from  
There were tropical breezes  
And a wide open sea  
I remember my childhood  
I remember being free.

We're going down to the bottom  
All the way to the bottom  
We get turned around

There is another world  
Inside of this one.  
Rapture of the deep.

We're going down to the bottom  
There is another world  
Spinning inside of this one.
