It's funny how money change a situation Miscommunication leads to complication My emancipation don't fit your equation I was on the humble, you - on every station Some wan' play young Lauryn like she dumb But remember not a game new under the sun Everything you did has already been done I know all the tricks from Bricks to Kingston My ting done made your kingdom wan' run Now understand L. Boogie's non violent But if a thing test me, run for mi gun Can't take a threat to mi newborn son L's been this way since creation A groupie call, you fall from temptation Now you wanna ball over separation Tarnish my image in your conversation Who you gon' scrimmage, like you the champion You might win some but you just lost one

You might win some but you just lost one You might win some but you just lost one You might win some but you just lost one You might win some but you just lost one

Now, now how come your talk turn cold Gained the whole world for the price of your soul Tryin' to grab hold of what you can't control Now you're all floss, what a sight to behold Wisdom is better than silver and gold I was hopeless now I'm on Hope road Every man want to act like he's exempt When him need to get down on his knees and repent Can't slick talk on the day of judgement Your movement's similar to a serpent Tried to play straight, how your whole style bent? Consequence is no coincidence Hypocrites always want to play innocent Always want to take it to the full out extent Always want to make it seem like good intent Never want to face it when it's time for punishment I know that you don't wanna hear my opinion But there come many paths and you must choose one And if you don't change then the rain soon come See you might win some but you just lost one

You might win some but you just lost one You might win some but you just lost one You might win some but you just lost one You might win some but you just lost one

You might win some but you really lost one You just lost one, it's so silly how come When it's all done did you really gain from What you done done, it's so silly how come You just lost one

Now don't you understand man universal law

What you throw out comes back to you, star
Never underestimate those who you scar
Cause karma, karma, karma comes back to you hard
You can't hold God's people back that long
The chain of Shatan wasn't made that strong
Trying to pretend like your word is your bond
But until you do right, all you do will go wrong
Now some might mistake this for just a simple song
And some don't know what they have 'til it's gone
Now even when you're gone you can still be reborn
And, from the night can arrive the sweet dawn
Now, some might listen and some might shun
And some may think that they've reached perfection
If you look closely you'll see what you've become
Cause you might win some but you just lost one

You might win some but you just lost one You might win some but you just lost one You might win some but you just lost one You might win some but you just lost one

You might win some but you really lost one You just lost one, it's so silly how come When it's all done did you really gain from What you done done, it so silly how come
