Light Rain

Lauv

Long days in your beat up car
Driving so fast we might've reached the stars
Tell me you want me cause I want you back
Let's run away, leave it all in the past
Cause all that I know is with you
I can be who I am
Who we are

Light rain
Fell down as we kissed
I wait for a moment like this
All my inhibitions melted like rain
In the light rain

Light rain
In the
