Lauv

I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could and  
I miss that

Ohhh  
Don't wanna talk about it  
Ohhh  
I was so wrong about it  
Ohhh  
Can't do a thing about it now  
Now

Cause they say if you love her let her go (go)  
And they say if it's meant to be you'll know  
Know

I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could and  
I miss that  
Yeah

I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could and  
I miss that  
I miss that

I miss that  
I miss that  
I miss that  
I miss that

Ohhh  
Don't wanna talk about it  
Ohhh  
I was so wrong about it  
Ohhh  
Can't do a thing about it now  
Now

Ohhh  
Don't wanna talk about it  
Ohhh  
I was so wrong about it  
Ohhh  
Can't do a thing about it now  
Now

And they say if it's meant to be you'll know  
I met a superhero  
I lost her  
I want her back

She did things to me that no one else could  
And damn, I miss that
