

Who

Lauv

Outlines of new eyes and visions of you
Girl, I think I need a minute
To figure out what is, what isn't
These choices and voices, they're all in my head
Sometimes, you make me feel crazy
Sometimes, I swear I think you hate me like, yeah
I need a walk, I need a walk
I need to get out of here
'Cause I need to know

Who are you?
'Cause you're not the girl I fell in love with, baby
Who are you?
'Cause something has changed, you're not the same, I hate it
Oh, I'm sick of waiting for love, love
Oh, I know that you're not the one, one

Feelin' hypnotized by the words that you said
Don't lie to me, just get in my head
When the morning comes you're still in my bed
But it's so, so cold
Who are you?
'Cause you're not the girl I fell in love with

Who are you?
'Cause you're not the girl I fell in love with, baby
Who are you? (Who are you?)
'Cause something has changed, you're not the same, I hate it
Oh, I'm sick of waiting for love, love
Oh, I know that you're not the one, one
