

Dragonfly

Lavender Diamond

Oh my
I wonder why this lifetime starts with goodbye
Oh why? Why? My dragonfly
Your wings open so wide
Oh what makes us breaks us apart
And it takes us right to the heart

Why cry? My eyes are dry
This life feels all so sublime
Oh what makes us breaks us apart
And it takes us right to the heart
And it shakes us and gives us a start
And it wakes us and opens our eyes

Uuuuuuuuuu...
