

I'll Never Lie Again

Lavender Diamond

I'll never lie again
I'll never lie again
I'll never lie again
Oh, God, I'll never lie again

I lied too many times
And I tried too many times
To get truth out of a lie
Oh, God, but I'll never try again

Ba ba

I'll never lie again
I'll never lie again
I'll never lie again
Oh, God, I'll never lie again

Ba
(2x)

I'll never lie again
I'll never lie again
I'll never lie again
Oh, God, I'll never lie again
