

Hurtin' Inside

LaVern Baker

He told me he loved me
And he told me a lie
He said I'd be happy
But he made me cry

I'm hurting, hurting
Hurting inside

He called me his baby
In front of the guys
Well, he was just flirting
And I wasn't wise

I'm hurting, hurting
Hurting inside

Tell me, what's wrong with me
Why should I live in misery

Someday you'll be sorry
Just wait and see
Someone's gonna hurt you
Like you hurt for me

And you'll be hurting
Hurting inside

~~~♪♪♪ ~~~

Tell me, baby, what's wrong with me  
Why should I live in misery

Someday you'll be sorry  
Just wait and see  
Someone's gonna hurt you  
Like you hurt for me

And you'll be hurting, hurting  
Hurting inside

And you'll be hurting  
Hurting inside

And you'll be hurting, hurting  
Hurting inside...
