

Of Course I Do

LaVern Baker

(Da-da, da-doo-dee, da-doo-dee, da-doo-dee
Da-da, da-doo-dee, da-doo-dee, da-doo-dee)

Please don't worry, have no fear
When you return I'll be right here
Do I love? You know I love you
Of course I do

Days are lonesome, nights are blue
I'm so unhappy the whole way through
Do I worry? You know I worry
Of course I do

Yes, when I hear our favorite song
The tears come down one by one
I dance by myself thinkin' of you
And I hope you're thinkin' of me, too

When you leave me all alone
Don't forget to write me or telephone
Do I love you? Ah, yes, I love you
Of course I do

[Saxophone Solo]

Yes, when you leave me all alone
Don't forget to write me or telephone
Well, do I love you? Yes, you know I love you
Well, of course I do
